Boys Team Make Tournament

Basketball is over for this season and the life of the campus has returned to normal existence. The practice periods each afternoon and two games a week every week for two and one-half months certainly involves a tremendous amount of time, not only for the players but for the spectators, teachers and coaches.

The Girls' Team this year lacked in experience and was unable to win a Conference Tournament berth. Many of their games were lost by a very small margin and with a little luck they could have had a higher rating. This year's seasoning offers good training for next year's play.

The Boys had a better record. The squad was made up almost entirely of seniors who gave a good account of themselves throughout the season and landed in the fourth place position in the North Piedmont Conference. Their first-round assignment was the number one team in the South Piedmont Conference, and they demonstrated their ability by defeating this team in the first round play. However, the second round was not so successful. Thomasville, the number two team of the North Piedmont Conference, was the opponent and had already beaten Barium twice. They made it three in a row as they eliminated the Tornadoes from the tournament in the second round.

Graduation will claim almost the entire squad and next year's outlook in Boys' Basketball means a complete rebuilding of the team with the younger members of the freshman and sophomore classes. It is right remarkable that a high school group with less than sixty students has held its own in a conference made up of schools from four to nine hundred students. The Coach, A. M. Calhoun, is to be commended for his diligence and ability in getting his teams ready to meet the strong opposition which they have had.

Four Hundred At Scout Banquet

The big dining-room at Rumple Hall was filled with men and boys for the Father-Son Fellowship Banquet during Scout Emphasis Week. The children of the Home, having been served earlier made ready for the men and boys in this annual affair. The Home has for years served the Program of Scouting in making possible the arrangements for the banquet on the campus. This community service uses the whole group in the raising and killing of the hogs for the barbecue, parking of the cars on the campus, and preparing the food and serving it on tables in the dining-room. The boys and girls and members of the staff did an unusually fine job in taking care of this big group for this occasion. The Iredell County District with all of its Troops had made reservations and turned out in force for the evening meal and the special awards, closing with a message from the Reverend J. S. Hiatt of Elkin.

WE NEED RACQUETS

The back-stops are up and the concrete will be poured and the outdoor play area will be ready for use when we get enough tennis racquets to play with. This all-purpose area will be suitable for outdoor basketball and skating, but will be used primarily for tennis. If you have a good racquet which you no longer need, we would love to put it in service at Barium Springs.

Sewing Room To Get New Machines

Mrs. Fox and her sewing room crew are anxiously awaiting the arrival of two new machines. This equipment is being made possible through the special gifts of a former Board member and his wife. Through his long years of service to the Home, he always manifested a deep concern for all the persons on the campus. After his term expired he continued to remember the great needs of the sewing room and has made it possible for them to be met through the purchase of this new equipment. A high-speed industrial sewing machine which will do fell-seaming will reduce the time for making a pair of pajamas by one-third to one-half. The new high-speed single stitcher industrial machine will provide for fast and accurate stitching which is so much needed in this busy place. The other antiquated machines will be overhauled and parts put together from some of them to keep the others running for the use of the girls who assist in the sewing room. It takes a lot of stitching to keep a family as large as that at Barium clothed, to say nothing of the making of sheets, pillow cases, drapes, and curtains, and the many other items which become a part of the sewing room activity.

New Members On Barium Staff

Two new persons have joined the forces of Barium Springs to help carry on the work. Mrs. Isaac B. White has come to the kitchen to assist Mrs. Neill in preparing food for the many hungry mouths.

Mrs. White has been formerly connected with the Home and her husband, Mr. I. B. White, has been a faithful member of the staff for many years. Miss Ella Reynolds from Charlotte, N. C. is the most recent addition to the staff and is just getting started. She will spend some time in learning the routine of the cottages and plans to serve as a relief housemother.

Eight Newcomers Join Family

Children from three families have joined the boys and girls at Barium Springs and are now getting used to their new home. Six of these are boys and two are girls. Franklin and Roger Davis come from Mebane; Larry and George Edwards hail from Winston-Salem; Judy, Linda, Mike and James Shaw come from Charlotte.

It takes several months to become accustomed to the change from community life to campus living, but these children are learning how to be a regular part of the big Barium family.

COTTAGE NEWS

South Cottage

Hi, Everyone—

We are back again with the news. Our boys ended up their basketball schedule with a victory over Mills Home. We are all proud of our basketball boys, especially since they are now in fourth place and playing in the tournament. We are also proud of our Junior Varsity. They have played hard and won all the games they have played so far.

Walking about the campus now, you will see boys playing marbles. Marbles seem to be more popular with the children this year than they were last year, even some of the older boys have become interested in them. Another favorite pastime of the children is flying kites. They started flying them a little before time this year.

We have one March birthday—Wilson Bush's birthday is March 9th. We get report cards this month and we hope that we have improved on some of our grades.

That is about all the news for now—so long until next month.

Ronald Brown and the
Boys of South Cottage

Infirmary

Hi!

It has been some time since you have heard from our group. We have all been real busy with school activities and patients. Report cards came out Thursday and we have all been discussing grades, and will be trying to improve those which need improving.

This is the first time our news has been in the Barium Messenger since Christmas, and we want everyone to

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

Bulletin boards are new under the steeple. One in the narthex and one in the corridor that leads from the minister's study to the choir room. Be sure to observe the bulletin boards regularly for news and information about the total program of the church.

The Men of the Church had their first supper meeting of the year in February with new President Terrell Hall presiding. Mr. Gibbs and Mr. White were hosts with assistance from their wives. Roger Murdoch, Vice President and Program Chairman, introduced Gordon L. Wilson of Statesville who showed slides taken during a recent tour of South America and interpreted the slides with illuminating comments. Mr. Wilson was a member of a preaching mission team sponsored by a sister denomination.

The Women of the Church sponsored a week of prayer and self denial for World Missions under the direction of Miss Charlotte Calhoun, chairman of that cause. Meetings were held throughout the week and a special offering was received on March 1st. Dr. J. M. Sydenstricker, of Brazil, was our guest during the mission season and spoke at services on Sunday morning and evening. He stayed at North Cottage during his visit here.

Mrs. Holton Dies At Oxford

Mrs. Elizabeth Anspach Holton, 88, of Oxford, widow of John Q. Holton, died on Tuesday, March 10th, at Oxford. She was born February 14, 1871, in Brandon, Miss., daughter of Frederick and Emeline Anspach. She made her home with a daughter, Mrs. Nat V. Daniel of Oxford.

Mr. Holton died Feb. 11, 1906. Their two sons, Edward Holton and John Q. Holton, both of Winston-Salem, have preceded her in death.

Many members of the staff at Barium Springs and a large host of children who have finished here in years past remember that she taught at the Home for more than twenty-five years.

know that we had a wonderful time and lovely gifts.

Something real nice happened to the Infirmary this past week. We received a wall clock from the Sprunt Bible Class in Wilmington, N. C. We want to thank Mrs. W. H. Gaylor, the President of the Sprunt Bible Class, and all of the members of the Class who donated this useful gift to us. The students will be looking at this clock many times a day and also will be on time for school each morning.

Rumple Hall

Hello There!

This is the news from Rumple Hall again. Our basketball teams have been winding up the season. Our boys won out over Mills Home on last Friday night and so have a chance in the tournament tonight. Good Luck Boys!

Ask Miss Winnie what she received in the paper bag on the night of February 26th. It is really hilarious.

We have only one birthday this month—Nancy Finley. Happy Birthday, Nancy.
